## Business of the Month

### CHEF DAWN PARTY IN A BOX CATERING

Chef Dawn's mother was a foreign exchange student from France, and her father was an American. Her idyllic childhood

saw her summers spent with her mother's family in France, on a small fruit and vegetable farm that worked in close cooperation with neighboring farms. Grandmother Helene involved young Dawn in the kitchen heavily... and in doing so: awakened a lifelong passion for all things culinary.

Across her college years studying Psychology and Nutrition, Dawn enjoyed spending lots of time in the kitchen. She became a single mother of two young twins, and it occurred to her that she could make a living out of cooking. She began a business as a Personal Chef to carry her young family. Then, in 2005, Party in a Box Catering was established.

The business served greater Southern California for 17 years, during which time Dawn was also mountain bike racing in the Southwest.

In 2022, together with her husband Mark, Dawn decided to relocate here to Big Water: bringing a lifetime of culinary skill to our little town.

Party in a Box catering can cater your events and celebrations, but the flavor doesn't stop there. You can also sign up for Chef Dawn's Monthly Delivered Dinners: a complete meal with large portions and dessert, delivered to your door once a month. Today, Dawn enjoys working most with the seasonal, local, sustainable, and/or organic foods.

Haul your garbage can to the street on Tue. Night for Wednesday Garbage Pickup. There is no specific timeframe for Republic's Big Water trash pick-up: except that it is on Wednesdays. This means that it could occur early in the morning hours, or later in the day.

## From the Fire Chief

Residents,

Please take some time this month to ensure that your house number is visible from the street.

This greatly supports the efficiency of Emergency Services.  
Thank you.
